Stunning, bright, fully furnished home in historic building! Come home to peaceful luxury amidst a vibrant urban setting in a fully renovated Denver Dry Tea Room loft. Enter through a sumptuous hallway lined with Venetian marble plaster, on your way to a wall of bistro windows and double French patio doors which bathe the home in natural light. 13-foot groin-vaulted ceilings lined with hand-painted gold bas-relief are further decorated by twin Rococo chandeliers. A spacious open kitchen with a large island is enhanced with slab marble countertops, unique glass tile backsplash, and ample storage. Move from the well-appointed kitchen to the inviting living area with your guests and watch the night fall in the city. Hand-scraped oil-finished floors throughout lend additional warmth throughout the home. Bedrooms have newly installed tray ceilings, allowing you to enjoy loft living when you want it, and privacy when you don't. Master suite with walk-in closet and elegant vanity and shower. All closets are custom fitted with Elfa systems. Enjoy a large 640-square foot terrace, creating an ideal indoor/outdoor living environment, a rarity in the middle of the city. Building amenities include: guest suite, fitness room, and bike storage with a rebuilt roof top deck coming soon! Light rail right outside your door, Union and Market Stations only a few stops away on the free shuttle, steps away from the theatre district and many restaurants to enjoy before or after the show, surrounded by convenient shopping and city lights!
