PROPERTY DETAILS

GORGEOUS rare unique unicorn property in the Candelas that backs to the wildlife refuge just waiting for you to move into before the holiday season. Why wait for 8 months for a new home when this one is ready for you with 4 bed, 4 bath, 3 car garage and plenty of room to stretch out in. If you need more space, this home has a loft and an massive unfinished basement to finish and make your own. Phenomenal upgrades throughout the home with granite kitchen counters, island and stainless steel appliances wait for you in the kitchen with warm hardwood floors throughout the main floor. This home has it all with solar and a resort like feel. You are a short distance to the clubhouse featuring a meeting center, fitness centers, 2 pools, indoor and outdoor gathering spaces, multiple play grounds, tennis and basketball courts, sport fields, large dog park, over 13 miles of trails, multiple parks, community garden and grocery store. So many places just minutes away for shopping and entertainment. Black Hawk, Broomfield, Golden, Boulder, Superior, Westminster, Arvada to name a few. This home has everything you need, just waiting for you.
