PROPERTY DETAILS

Welcome to this beautifully updated full brick Tudor home in Lakewood. The house sits on the back half of almost an acre of land. The possibilities are endless on what you can do here. Live in the house and build a new home on the front half of the lot or subdivide and sell the land. The house has all of the old world charm of a 1935 Brick Tudor but with modern day amenities. There are quartz countertops throughout, high end appliances, modern tile and a huge walk in pantry! The square footage has been fully maximized for an extremely efficient layout. The house features some original built-ins and brick which has been exposed throughout. The upstairs has a large bedroom with a walk in closet, vaulted ceilings and hardwood floors. There is an additional open loft space upstairs perfect for a home office. On the side of the house there is a concrete patio perfect for barbecues. There is also a 2 car detached garage with a brand new garage door and lift as well as new windows.
