PROPERTY DETAILS

Don't miss this beautiful home with an open floor plan. A major kitchen remodel in 2019. All new stainless-steel kitchen appliances, double ovens, granite countertops, 5-burner gas stove, deep stainless steel sink, expansive walk-in pantry with ample storage space and butcher block countertops. Home features all new ash-gray, large plank, hardwood floors throughout, including the upper level. Updated ceiling fans, crown molding and 4" baseboards. Newly painted inside and out. Updated fireplace in the living room with beautiful mosaic tile. Two of the bedrooms are extra-large with ample closet storage. Enjoy the massive deck in back that is perfect for entertaining! This home also features a 3-car garage for all your parking needs. There is no shortage of storage space here as it also features 2 large storage sheds with skylights and one with electricity for the perfect workshop. All of this is located in a fantastic community within walking distance to light rail and bus lines, movie theaters, and several dining options. Centrally located in the city for an easy commute to downtown Denver or
