PROPERTY DETAILS

The perfect Executive and Ranch Retreat Perfect Retreat in today's "new world". Total privacy and tranquility. Custom built on 2.5 acres in the secluded and private neighborhood of Chenango. Top of the line materials were used to build this Brick home, including a huge redwood deck. The home backs to private bridle paths and has an open light-filled floor plan. The oversized main floor master has a beautiful bathroom with a jetted tub & a walk-in closet. The walkout lower level has a add'l bedroom and living space. Designed for indoor & outdoor entertaining and lots of room to expand. Come home to your heaven on earth that is nestled between Parker and Denver Park with great access to the Cherry Creek Trail and Castlewood Canyon State Park. Zoned Agricultural, 2 horses allowed, with a spacious existing barn.
