PROPERTY DETAILS

Stunning three bedroom, two and a half baths on premium lot in sought after Fallbrook Farms neighborhood. This beautiful home backs to vast open space, and enjoys a maintained common space on one side resulting in only one close neighbor to the east. Gorgeous mountain views enhance the living room, dining room, and master bedroom. Spacious vaulted ceilings in foyer and open concept on the main level. Expansive second floor features upstairs master bedroom, 5 piece master bath, and walk in closet. Enjoy two additional bedrooms, full bath, and convenient laundry upstairs as well. Tiered back patio is perfect for cookouts in fully fenced back yard enjoying the beautiful views. Landscaping in the front yard is maintained and watered by the HOA. Large full unfinished basement has rough in and is ready to finish into home gym, extra bedroom, media room, and/or anything you may desire.
