PROPERTY DETAILS

Welcome home to this beautiful, 2 story in Black Forest. Situated on a corner lot, this home is walking distance to Kilmer Elementary and an easy commute to surroundings areas. You will love the enormous great room with its built-in entertainment center, vaulted ceilings, tons of natural light, and access to an expansive covered deck with views. The kitchen has granite countertops, stainless steel appliances, a formal dining area on one side and a large family room on the other. There are many options for opening up this space, including a kitchen expansion into the formal dining area. Master suite is on the upper level and features a walk-in closet, beautiful split vanity with custom cabinets, a towel warmer, jetted tub, and steam shower. Three additional bedrooms upstairs have lots of bright light and easy access to the laundry chute! Special finishes include 4" wood plantation shutters throughout the entire home, crown molding, high quality flooring, granite countertops, and lots of built ins. The basement in this home is split. Access from one side takes you to a large laundry area and a huge craft/office/workshop type space with stained concrete floors, built in cabinets, island workspace and storage, and a huge storage closet. The other basement leads you to a bedroom, bathroom, and open living space accessible from the great room. The garage also has walls of organized drawers and cabinets. This home sits on a huge corner lot, has nice landscaping in
