PROPERTY DETAILS

Great townhome in CHERRY CREEK SCHOOLS. This is the perfect home if you're looking for a single family home experience with less maintenance. You'll love the wood floors in the dining and living room, then tiled kitchen. Enjoy the spacious vaulted ceiling in the family and dining room with fireplace - very cozy for winter! Need some fresh air? Check out the outdoor patios (yes there's two), fenced private backyard, or nearby park! Backyard space is primed for your own design. NOTE: Common wall is the garages only. Living spaces do not share a wall.
