PROPERTY DETAILS

This Modern Farmhouse is impressive & unique from top to bottom. Located on one of the best blocks in desirable Observatory Park. This high end home has designer finishes, open concept, tons of sunlight and many quality details. The main level features a grand foyer, office, family and dining room and a chef's kitchen complete with a Wolf cook top, Wolf double ovens, Sub Zero fridge/freezer and a oversized kitchen island. The grand master suite has vaulted ceilings, wood floors, fireplace and a luxurious bathroom featuring an oversized steam shower, heated floors, free standing soaking tub and a large custom closet that is connected directly to the laundry room for your convenience. The secondary bedrooms have walk in closets, vaulted ceilings and spacious bathrooms. The basement is well designed with a bar flowing into the family room, large bathroom, wine room & 2 bedrooms or use as a theater and gym. Pre-wired for audio/visual and includes a spacious three car garage, large patio with a built in grill & fire pit to keep you warm during those cooler nights. This is truly a one of a
