## PROPERTY DETAILS

Spectacular custom home with mountain views on 35 acres! Open custom floorplan with a main floor master suite and an unfinished walkout basement. Large kitchen with granite countertops and huge pantry. Two cozy fireplaces, one in the living room and one in the main floor master suite. New carpet & paint means that this home is in move-in condition. The five piece master bath includes a jetted soaking tub with its own heater, so your water stays the perfect temperature even through long soaks. and don't miss the under-seat window storage in the bedrooms! The full sized walkout basement has 10 foot ceilings, which allows it to be bright and spacious even after it's finished. Oversized three car attached garage with outside entrance door. Two sheds and a barn, with the barn being 30' X 40' with an oversized & over-height garage door. The barn has water & electricity and the acreage is partially fenced. Easy access to DIA & Southlands Shopping for dining & shopping.
