## PROPERTY DETAILS

This Desirable, Two Story Townhome-style Condo has been freshly painted, and brand new carpeting has been added!! Experience a high-quality of life, in a great location-at this affordable price point! This penthouse, end-unit condo has a master bed/bath on the main level & a wide-open loft bedroom or office--with a 3/4 bath! It has vaulted ceilings and 2 skylights, with a plethora of natural light, plus Central Air! A Living Room with a wood-burning fireplace overwhelms with ambiance! There's also a private balcony facing South! Your kitchen has quartz countertops & a variety of unique hickory cabinet features! All appliances are included, as well as the washer/dryer! Cler Story windows grace the living Rm & master bedroom! The secure attached garage has a huge 10x10 storage unit! HOA provides an indoor pool, hot tub, & tennis courts! There are hiking trails, parks, and shopping nearby! Easy access to Buckley AF Base, DIA & E-470! This is a great value, located in a serene/quiet area of the complex!!
