

 837 SQFT

 2 Beds

 1 Baths

 0 Acre

PROPERTY DETAILS

Cute condo in great location with some desirable features that are hard to find in this price range. The hardwood floors are beautiful and flow down the hallway, kitchen and dining area. And it includes a Washer and dryer INSIDE the unit, with the washer and dryer included in the price! You'll love the parklike greenbelt that your enclosed patio looks out on. Go out your door, down a short hallway and your out on the greenbelt with paths.
