

Mountain home feel with amazing views!

Single Family

3978 SQFT

3 Beds

3 Baths

2 Car

PROPERTY DETAILS

This home offers spectacular panoramic front range views from its perch over natural open space. The kitchen has 42" cherry cabinetry, granite slab counters and SS appliances. A striking Copper-hooded fireplace serves as the hub of the vaulted family room. Master 5 piece bath, soaking tub and marble shower. Two spacious offices + 3 bedrooms, 2 full baths and 1 main level powder room. No need to give up bedrooms to home office or school here! New upper and lower level deck area to relax, work, watch wildlife or simply take in the mountain views. Welcome Home!!
