PROPERTY DETAILS

Classic two story home just steps from one of Jefferson county's favorite open spaces, Apex Park. Many custom updates and improvements show the pride of ownership and tremendous care given to this home by the sellers. A large stamped concrete driveway greets you and the native stone steps lead you to the magnificent front door. The warm and welcoming entry hallway is decorated with fine custom stonework, crown mouldings and solid wood doors found throughout the home. There's an updated cozy den with a custom bay window, cove ceiling and lighting accents and an updated powder room for your guests. The updated kitchen has a walk-in pantry with extra food prep space and is open to the family room with fireplace and it flows out to an amazing covered back patio. Upstairs you will find a deluxe master suite with expanded walk-in closet and custom finished 5 piece bathroom. Three additional bedrooms with ample closets and an updated 3/4 guest bath in the hall complete the sleeping quarters on the second floor. The lower level has a great area for relaxing and offers space for entertainment and exercise as well as an additional 3/4 bath and possible 5th BR. The custom built covered patio off the kitchen space is a little slice of Colorado's paradise and the complete outdoor kitchen extends the living space of this home to take advantage of the peace and quiet of living in the foothills of the rocky mountains for anyone that seeks refuge from the stress of today's world. The back yard is professionally landscaped with an irrigation system that waters the professionally graded lawns and copious
