## PROPERTY DETAILS

Desirable neighborhood and updated house ready to make it your own. This is one of the larger models in the area, this home is facing west, back to east, offering you both morning sunlight and afternoon sunlight. With a living room and a family room to entertain family and guests. The Kitchen is updated with beautiful granite counters and stainless-steel appliances. Hardwood floors throughout main floor. Three bedrooms upstairs. Spacious Master bedroom with 5 pieces bathroom set and walk-in closet. Bathrooms are upgraded with new vanities, flooring and shower wall. Basement is finished with egress window, can be used for entertainment, office or gym, you name it. Newer interior paint and carpet, furnace and dishwasher. Enjoy outdoor Colorado with a huge private deck in the back and a porch upfront. Walking distance to parks and schools. 5 minutes to C-470 highway. 10 minutes to Trader Joe's, Whole Foods and King Soopers. 15 minutes to historical downtown Littleton. (more shopping, entertainment and light rail station) Just a convenient location with everything on your finger tip. You don't want to miss this!
