## PROPERTY DETAILS

Desirable brick ranch home lovingly maintained by long time (over 40 years!) owner! Large kitchen opens to the great room - long before open floorplans were popular! Two cozy fireplaces - one on the main level and one in the basement. This home has solid bones but needs your decorating touches for paint and carpet. In addition to the large storage shed in the backyard, this home features an in-ground pool with a newer liner. And the pool table in the basement is included too! Close to the Gardens on Havana for shopping & dining, with easy access to Anschutz Medical Campus, DTC, Buckley AFB, DIA & downtown. Walking distance to local Cherry Creek schools. Brick ranch homes are hard to find, so don't delay!
