1 Car

0.27 Acre

PROPERTY DETAILS

4 bedroom, 3 bath, 2080sqft Ranch Home, including basement, with mid-century modern features, such as mahogany panels in dining room, living room, and foyer. Kitchen features: Solid surface Quartz countertops, French Door Refrigerator with Ice and Water, Dishwasher, Wall Oven, Stove-top, and Built-in Microwave. Washer and Dryer included in the lower level laundry room. Oversized 1 car garage with opener. Hot water heat gives the most even heat available and no dusty ducts is great for those with allergies. Centralized evaporative cooling. Very private fenced yard with in-ground sprinkler system, large shed for extra storage. Landlord's contractor does start up and shut down of sprinkler and cooler yearly. Close to restaurants, shopping, and James A. Taylor and Harlow Parks with green space, tennis courts, and swimming pool.
