PROPERTY DETAILS

This 1911 beauty has so much charm that you have to visit to truly appreciate it! Gorgeous original woodwork, built-ins and custom cabinetry provide ample storage and rich character rarely found in newer construction. Less than a mile to both Highlands Square and Tennyson Street, and minutes to downtown Denver, the location couldn't be more ideal for all that North Denver has to offer. Beautiful, welcoming front porch and equally inviting entry/foyer greet you. This ideal floorplan has three bedrooms and full bathroom upstairs with formal living and dining plus huge eat-in kitchen and half bathroom on the main level. Additional square footage in the basement gives you room to expand. Serene back yard with covered patio off the 2-car detached garage complete the picture. Lovingly cared for by the same owner for over sixty years, this home is ready and waiting for you to move in and make it your own!
