PROPERTY DETAILS

Updated single family home in the desirable golf course community of The Ranch. This ranch style home lives large with four bedrooms (1 non-conforming) and three bathrooms, and a finished basement. The current owners have thoughtfully updated just about everything in this home - newer flooring throughout, accent walls, updated bathrooms and kitchen with white cabinets, SS appliances and granite countertops, newer paint inside and out. Newer roof and hot water heater as well. The Tesla solar panel is paid in full and will be transferred to new owners. There is also 220 volt in the garage for electric car charging. This home is perfectly located close to shopping, restaurants, schools, RTD, with easy access to I-25.
