

 Single Family  1606 SQFT  3 Beds  1 Baths  0.11 Acre

PROPERTY DETAILS

Own a piece of Idaho Springs History! This property is zoned C-2 but has been used as a single family home for many years. The proximity to downtown Idaho Springs makes it perfect for a new owner who wants to walk to the Rec Center and all that downtown has to offer - or for someone looking for space for any number of small businesses (See use possibilities for C-2 Zone on the Idaho Springs website) just outside the main business corridor. The property has been refreshed inside and out, including paint and carpet! Bring your vision!
