PROPERTY DETAILS

Sunny and bright two story condo with abundant character and charm! This home features a modern updated kitchen; vaulted ceiling; an airy upstairs bedroom loft; updated laminate floors; an in-unit laundry room; and a location that boosts easy access to the mountains, city, and a multitude of amenities. The kitchen has been updated with modern cabinets, clay-tile backsplash, stainless steel vent hood, European fridge, open shelving, and stunning granite countertops. Adjacent to the kitchen is a fabulous dining nook that could also serve as an office if you prefer to take your meals at the bar top. A large south facing front window pours natural light throughout the home...a plant lovers dream! And, the open floor plan creates a spaciousness that makes this home feel much larger than the square footage indicates. Unit comes with a reserved carport parking spot (#18) and storage unit. In addition, there are always ample guest parking spots. This is one you truly have to see to appreciate and won't be available long!
