PROPERTY DETAILS

This home has been totally remodeled inside and out with premium materials and fixtures, featuring unobstructed views of the water. The interior showcases a chef's gourmet kitchen with custom cabinets, high-end quartzite countertops and backsplash, new SS appliances and a 5-burner, natural gas stove with a retractable vent. All bathrooms have custom cabinets, marble countertops, designer tiles and frameless shower doors. The 2nd master bedroom has a Cabana bathroom. Designed for luxury and convenience with an open concept, 2 kitchen sinks, 2 AC Units for separate zones, tankless gas water heater, energy saving appliances, newer roof, and much more. The home also has brand new electric and plumbing – all PVC throughout, no cast iron! The exterior is has new stucco, paint and gutters around the entire house. Love the outdoors? Then you'll love living in your new south-facing backyard. Maintenance-free artificial turf, an outdoor kitchen with a Large Green Egg, and a natural gas grill. You can relax and watch tv or enjoy the newly built heated, saltwater pool and spa (with 2 pumps for therapeutic pressure), all surrounded by a marble travertine deck. 75' of direct canal views, Ocean Access with No Fixed
