PROPERTY DETAILS

Have you been dreaming of a beautiful log home on your own private mountainside? Here is the dream property you have been waiting for! The winding drive will lead you through the trees to the top, where the expansive views and magnificent log home welcome you to your private paradise complemented by a private 16' x 32' x 8' deep heated pool and in ground spa. You will want to stay in paradise forever in this exquisite, magnificent, and custom log home situated on 80 private and sunny acres of mixed trees and topography ready for exploring. Pride of ownership and attention to detail are apparent throughout this passive solar and exceptional home. The beautiful log beams accent the interior vaulted ceilings showcasing panoramic views and wrap-around deck through picturesque windows. The chef's kitchen features a WOLF 4-burner gas stove, Sub-Zero fridge, high end appliances, custom aspen cabinetry, granite countertops and custom lighting. Relax in the living room soaking in the views, watching the pool, or enjoying the beautiful river rock fireplace. The main level master suite features breath taking views, private deck, walk in closet and custom master bathroom featuring mountain edged shower glass and wood highlights. The beautiful woodwork from local trees continues downstairs which walks out to the private pool and spa capturing million-dollar views. Enjoy the pool party in the summer or snuggle up in the winter in the private home theater featuring dark walls
