PROPERTY DETAILS

Beautiful Front range views from this ranch home on 40 acres just 10 minutes north of I-70. Quick and easy access to Colorado Air and Space Port as well as DIA and Denver. Open floor plan with several upgrades in the last three years including: new paint (interior and exterior), carpet and LVP in 2020, new windows and a new water heater. Nice floorpan with a large master suite boasting a large bathroom, including a soaking tub and dual closets. Two other bedrooms share a full bath with an additional half bath, laundry room and open kitchen, dining living spaces close out this spacious-living home. There's plenty of space to enjoy the prairie views from the 10'x20' composite deck off the back of the home. Bring your animals and make this your home on the range!
