## PROPERTY DETAILS

Don't miss this beautifully renovated townhome boasting two fully updated bathrooms, an updated kitchen, new carpet upstairs & down, new Luxury Vinyl Plank Flooring and a Fresh paint job though-out! The main floor Living room feels open and airy with lots of natural light, just beyond is the eat-in kitchen with freshly painted cabinets, new Granite countertops and a sliding glass door out to your private back patio. Head upstairs to the Primary bedroom with a large walk-in Closet, sliding door to a balcony, and En-Suite bathroom. The Secondary bedroom upstairs also has a large closet. Finally head all the way downstairs to the Den/Family room complete with new recessed lighting and a wood burning fireplace! Just in time for spring-step outside to your front patio and relax to the sound of the babbling water from Willow Creek, which flows in the Green Space just yards away. Immediately north of the building is a trailhead connecting to miles of trails along the Highline Canal Trail System for walking and biking. Nearby shopping, entertainment, restaurants and beautiful parks all just a short drive
