PROPERTY DETAILS

Newly built in 2014, this modern home delivers an unbeatable location and the quintessential Denver lifestyle. Located on a quiet street and with in walking distance of Highlands Square, Tennyson Shops in Berkeley & Sloan's Lake you'll find Stuart Street House. Sitting proud on the block on a lush lot, this home exudes outstanding curb appeal that flows inward to a bright calming interior. White Oak floors stream from a flexible front office/ bedroom into a chef's dream kitchen w/high end appliances + an island with a second sink + beverage fridge. A duel-sided fire feature anchors the living room and brings the space together. Step through the French glass doors onto the dream-like covered patio suited for entertaining that includes overhead radiant heating, sound system, Sunbright tv, firepit, 2 garden areas & fountain. Drenched in natural light, the spa inspired primary suite was built for rejuvenation. A private balcony + hot tub, walk-in closet + en-suite bathroom, including heated floors + spacious steam shower + coffee bar and built in refrigerator make it one of kind and a difficult room to leave. A smart Control 4 home system, mudroom, and 3 car garage add to the functionality of this 5 bed,4 bath treasure in West Highlands.
