For the "working from home" folks - this home features 2 large offices (one is the 2nd main level bedroom with its own private bathroom, but could be a Study! Amazing finished walkout basement that includes: 2 larger bedrooms- one with a private on-suite bathroom; a large open recreation room great for watching your favorite movies or the game; a huge sit at bar in this almost full kitchen with tons of cabinets and storage space including all the appliances you will need! With it's walkout access, it has a separate entrance should you need the rental income potential. This home has it all, and a great location on top of that, sitting up on top of the hill in the beautiful Pine Bluffs neighborhood of Parker. Did I mention the Mountain Views...WOW!
