PROPERTY DETAILS

Enjoy the cul-de-sac living with a spacious yard accessible by 2 sliding doors. A professionally poured & stamped concrete patio allows you to entertain or relax in the outdoor space that separates the home from the side neighbor giving ample privacy. The terraces to the rear are gorgeous in full bloom. The home has lots of light through the numerous windows. The hard surfaces through the main level make cleaning easy & the plush carpet upstairs will keep you cozy. The upstairs loft is a terrific bonus room to use as your wish. The master bedroom is unbelievably large as well. What a fabulous home to make your own. Please note the major systems are newer with the furnace only 3years old, water heater 1 year old. The Laminate floors have a few dings & lifting but seller is leaving 2 boxes of replacements for repairs.
