## PROPERTY DETAILS

Welcome Home! Beautiful updated townhome with two wood burning fireplaces. Spacious living room opens to the dining room great for entertaining. Walk outside on your patio to cookout or enjoy your morning coffee or an evening cocktail. Eat in kitchen has stainless appliances all included. Plenty of cabinets and counter space. On the 2nd floor you have a loft/office that has its own wood burning fireplace. Large master bedroom with walk in closet and bathroom. Guest room is also a great size. This home has a full unfinished basement just waiting to make it your own special space. Great location-walk to shopping and restaurants. Heating unit has been cleaned and inspected. Wood burning fireplaces have been cleaned and inspected. Double pane windows have all been replaced as well as new water heater. 1 Mile from Nine Mile Station Light rail and RTD. Also close to Cherry Creek Park, trails and the dog park.
