PROPERTY DETAILS

It's the perfect home on Mulberry Lane! Light and bright with an open floor plan, 4 spacious bedrooms upstairs, one additional or a home office on the main floor, a finished basement on a private, corner lot! The large kitchen opens to the family room, has granite countertops, tons of cabinet space & stainless appliances. Upstairs, there's plenty of space for everybody with 4 spacious bedrooms including the master bedroom with two walk-in closets! Enjoy even more finished space in the basement which has an 3/4 bathroom, an egress window and great closets - if you need a 6 bedroom home...this'll do it! To top it off - this home has new flooring, carpet & paint! This is the ideal location in Westridge - walk two blocks to Eldorado Elementary School and just a few blocks to the area's best shops & restaurants!
