PROPERTY DETAILS

Spacious multi level, original owner home ready for your decorating touches! Almost 3,000 finished square feet with great bones! Excellent roof, furnace, water heater and appliances. Soaring vaulted ceilings give this an open bright feeling. All kitchen appliances included - stove, refrigerator and dishwasher. The family room includes a wet bar, fireplace and two story ceilings. The family room level also has a private bedroom and rare 3/4 oversized bath. The backyard is fully fenced with sprinklers, patio and garden areas. The side yard has a double gate for RV type parking. The finished basement has new paint and the washer & dryer stay. Close to Cherry Creek Schools and Utah Park & Pool. Easy access to Anschutz Medical Campus, Buckley AFB, DTC, DIA and downtown. This is a terrific home that is waiting for your personalization with paint and carpeting. Homes in this area are well over \$500,000, so don't delay! Get in and make it your own!
