PROPERTY DETAILS

Over \$200,000 in improvements! This energy-efficient Sweet Spot is located on the plains just east of the Rockies and provides a secluded lifestyle that warms the heart and fills the soul. Just minutes from Longmont and 20 minutes from Boulder, and easy commute as well to Denver, and DIA, make this the ideal location to live and grow. Upgrades to this beautiful and spacious home on over two acres include a high-efficiency wood stove, on-demand hot water heater, two-year-old, 40-year impact-resistant roof, two HVAC systems installed in 2017, fire suppression system, and attic insulation increased to R-30! The main level boasts beautiful arched vaulted ceilings, a huge kitchen island, a breakfast nook, and a separate formal dining room. Nestled in the back of the main floor are the master suite with a five-piece master bath and two walk-in closets. Plenty of storage in the super pantry next to the large laundry and original pantry, a spacious office, heated three-car garage, and an open deck and patios with serene views, in this stunning country retreat. The builder finished walkout lower level, features high ceilings with a huge common area amongst three bedrooms and two baths with a full kitchen. A steam shower in one bath and laundry facilities in the other that stay. A warm living space separate from the main level that is perfect for the kids, an in-law suite, or as an income producer. The enormous outbuilding is over 3000 sq. ft., with upgraded insulation, a
