PROPERTY DETAILS

Welcome Home to Foxdale Condominiums and this sunny 2 bedroom, 2 bathroom upper-level unit boasts just over 1,000 square feet of living space and an open layout designed with your every lifestyle convenience in mind! A sunny living room greets you nicely connected to the dining area and kitchen leaving these main living areas very open and inviting. The owner's suite has plenty of space for any furniture design desirable and is complete with a private en-suite bath including an oversized walk-in shower. A cheerful secondary bedroom offers private access to the expansive outdoor balcony with the second full bath nearby. This unit includes a rare detached one-car garage along with a reserved parking space, both located just outside of the building. Foxdale Condos offers a private neighborhood pool along with tennis courts; the trash, water, sewer, and exterior maintenance are all included with your HOA dues as well. Located just North of Mississippi and Tower you arrive at Highway 225 in literally minutes connecting to I-70 and Downtown Denver with ease Northbound or I-25 from Southbound making any commute a breeze. Arrive at Buckley Air Force Base, Community College of Aurora, and the mall for endless entertainment within mere minutes as well. Just West of the home on Alameda Pkwy you will find the Aurora City Center mall and shopping plaza offering an outlet-style center on one corner with abundant dining and shopping options, and the mall and

theater at the other meaning you will never run out of things to do near home. A multitude of city parks and open spaces make it easy to opt outside and live your best Colorado life including the Aurora City Center Park where you can enjoy a 4th of July fireworks show and many concerts in the park. Just up the road, you will also find the Aurora Hills Golf Course offering public and club memberships and tee times along with Highline Park ballfields offering children and adults baseball and softball through the City of Aurora.
