## PROPERTY DETAILS

You will love this beautiful 3 bedroom, 3 bath home that will save you a lot of money on your electric bills with it's fully paid for Solar Panel System included! The home is located on one of the largest homesites in the community and has an amazing backyard for entertaining or just relaxing. The backyard includes a covered patio, gazebo, fire pit and shed. The kitchen is open to your family room and features a large kitchen island with seating, eat in kitchen table area and plenty of cabinets and storage. The master bedroom features a new sliding barn door installed to the bathroom. It also has a large walk in closet with built in shelving. You will love the separate shower, tub and double sinks. This excellently maintained home features a well lit 3 car garage. The home faces out to center park with a large grass area. The laundry room is located on the second floor near the master bedroom and includes a utility sink and cabinets. The community offers several parks, a pool and clubhouse to enjoy along with walking distance to local schools.
