PROPERTY DETAILS

Don't miss this rare opportunity to own a turnkey ranch home in coveted Golden with main level living! Stepping in you will be taken back by the tall vaulted ceilings, wall of windows, and beautiful hardwood floors throughout. The open floor plan leads from the formal dining room to the living room with double sided fireplace and spacious kitchen with stylish granite countertops and dining nook area. Head into the smartly designed kitchen with ample counter space, a large island, and gorgeous granite. Make yourself comfortable next to the double sided fireplace and built in desk or head out the full patio doors for indoor/outdoor entertaining. Main floor master suite is a perfect retreat after a long day with wall to wall windows, five-piece master bath including an oversized soaker tub, and walk in closet. Work at home conveniently in your main floor office with plenty of natural light and space. Or if preferred, create a fifth bedroom with a simple change of doors. For even more space head down to the full finished basement, ideal for separate living with a second master suite and kitchenette. Cozy living room with a second fireplace, dining room, and additional bath, making this an amazing entertaining/ media space! The three car oversized garage has a workshop area and an additional storage room for all your outdoor Colorado gear. Location on this home is hard to beat, just minutes to trailheads and Downtown Golden with main street entertainment, Clear Creek, and convenient commuting to School of Mines, Denver, and Boulder.
