## PROPERTY DETAILS

Fantastic House in Great Location! Meticulously maintained with many upgrades. A large entry transitions to a very open living room with gas fireplace and dining room.

Just off the dining room is the kitchen with SS appliances, granite countertops, cherry cabinets and a breakfast nook leading to large composite deck with Sunsetter awning. Upstairs features large master bedroom with walk-in closet and updated master bathroom with double sinks, granite countertops and heated flooring. The second bedroom with adjoining remodeled bathroom is also spacious and has a newer carpet. Second floor laundry finishes the layout with washer and dryer included. The fully finished, walk-out basement features large play/rec room, office with built -ins, 3rd bedroom and 3rd full bath.
