PROPERTY DETAILS

Don't miss this updated one bedroom & one bath home with a large living room and bedroom, Imagine relaxing on the balcony and enjoying views of the creek with plenty of trees for shade. The kitchen has new countertops with stainless steel appliances and a convection microwave. Unique to this unit is an in unit washer/dryer. The home comes with a 1 car garage with an opener, an outlet and storage shelves. Also, includes an extra secure storage area on the first floor. So many little things make this home special in the community. The community has great amenities including a pool, hot tub, children's play area, walking path, a beautiful pond and is right by the highline canal trail. The HOA is in the process update/replacing the balconies, updating the entry halls and preparing to repair the roads. Great opportunity at an affordable price.
