## PROPERTY DETAILS

Leave the city behind & breathe in the fresh mountain air! Quiet, private & peaceful, you have found your new Colorado mountain home! As views are one of the reasons we live in Colorado, you definitely won't be disappointed here. This entire south-west facing home & 880 sq ft wrap around deck are set up for comfort & enjoyment of the fantastic views of Pikes Peak & the surrounding mtn range, incredible forested views, breathtaking sunrises, sunsets & close ups of plenty of deer, chipmunks & hummingbirds. The fenced in yard is great for children & pets alike. Inside, this remodeled, well maintained & move-in ready 4 bedroom home, you'll find everything ready for you & your family / guests. No worries about wells & septic and no HOA's! Pictures don't do this home justice; you'll want to see for yourself. Call 303-908-4745 for your own private
