## PROPERTY DETAILS

Beautiful townhome in the desirable Rembrandt Townhome community in Centennial. The main floor Living room feels open and airy with lots of natural light, just beyond that is the kitchen and dining space with a sliding glass door to your back patio area. Head upstairs to 3 bedrooms and a full bath. Your primary bedroom boasts a nice walk-in Closet and En-Suite bathroom... Step outside onto your private balcony and relax overlooking the beautiful green space of the Highline Canal. Finally head all the way downstairs to the 4th Non Conforming Bedroom or Family Room/Den complete with a wood burning fireplace and full bathroom. Just in time for summer you can step outside onto your back deck or your private upstairs balcony to relax to the sound of the babbling water from the Canal, which flows just yards away. Just north of the building is a trailhead connecting to miles of trails along the Highline Canal Trail System for walking and biking. Nearby shopping, entertainment, restaurants and beautiful parks all just a short drive away make this an excellent location to live.
