PROPERTY DETAILS

Here it is! The adorable move in ready townhome you've been looking for in a coveted quiet location. The open main floor living area is light and airy with a gas fireplace that creates a cozy ambiance on a cold winter night with the turn of a knob. There is fresh paint throughout, newer laminate plank flooring, newer appliances. The second floor has 2 extra large bedrooms, and full bath. The main bedroom has double closets and separate access to shared full bath. The fenced patio backs to greenspace and is the perfect spot to relax at the end of the day, or have your friends over for a BBQ! There is a community pool to cool of in during the dog days of summer, and a club house. Did I mention this one is in Cherry Creek School district? All that, and you get two reserved parking spots in front of the unit. You can easily walk to amazing restaurants, and shopping; close to I-225, DIA, DTC, downtown, walking trails and the Highline Canal. You don't want to miss this one!
