PROPERTY DETAILS

Don't miss out on this beautiful home with picture perfect mountain and city views nestled in the foothills of Morrison. Sunlight flows throughout the open floor plan and incredible scenery can be enjoyed from any room. The large windows throughout the main living area bring the outdoors in along with tons of natural light. The large, updated kitchen, overlooking the living room, is perfect for gathering with friends and family. Enjoy summer cookouts from the deck and patio area. The lower-level family room and fireplace offers a cozy space for those cold winter nights or great space for entertaining. The lower level bedroom and bathroom is perfect for guests. The bonus room provides plenty of storage, or could be a craft, workout room or anything your heart desires. Enjoy the breathtaking canyon views, beautiful night skies with twinkling city lights, peace and privacy surrounded by majestic trees. The adorable barn/storage space completes this oasis in the foothills. All this and an easy commute to Denver or Conifer for dining and shopping. This stunning property is ready to be called your home.
