12.34 Acre

PROPERTY DETAILS

WOW!!! Very Unique and One of a Kind - 12.34 acres with 3 sides fenced with a Custom Built Log Home (Canadian Douglas Fur - Imported specifically for this home from Canada). This west facing amazing home features beautiful views of the front range. The main level has a wood burning Heatilator fireplace in the living room. The room features remote controlled solar screens on the panoramic front window with unobstructed views of the mountain range. Kitchen features beautiful tile floors with a gas stove, refrigerator, dishwasher, oven and granite countertops. Laundry Room, Mud Room (Custom Wash Tub), and Storage off the back door entrance. Master Bedroom with walk in closet and a 5 piece bathroom. Upper level has a loft large enough for 2 offices, 2 storage areas, large bedroom and full bathroom. Ground level entrance from the 2 car garage which has a workshop area and a storage room. The ground level also has a private entrance to a living area that could be utilized as Mother in-law apartment. This home has vaulted and/or high ceilings through out the house. The backyard has a new 50' redwood wood wrap around deck with an 18'x18' patio deck with a pergola. There is a new high end metal standing seam roof. A shed with a cement floor and with a matching metal roof to the house... The location of the house on the property provides a full unobstructed view of the area and on a clear day Pikes Peak.
