PROPERTY DETAILS

Just Stunning! This amazing home has lovingly been completely remodeled over the last 6 years by it's owner! Every inch of this home has been touched by a very meticolous owner. The architectural details are incredible, like the original 1950's covered and inlaid ceilings, pictures just don't do it justice! This home offers 3 bedrooms, 1 bath, newer windows, tank less hot water heater, furnace & central air are 1 year old. Home also has a swamp cooler for humidity and air efficiency. This stunning modern kitchen offers beautiful details, white cabinetry, lighted glass cabinet doors and beautiful wood blocked counter tops, super nice stainless steal appliances! Base cabinets are steel legged to enhance that modern look. White tiled walls in the kitchen and wainscoting in the dining is just fabulous! Everywhere you look there is some cool detail. The man cave has

vaulted ceiling with skylights, the custom made doors are just so cool and open up to a fun front hang out patio area! The man cave could be put back to a 1 car garage very easily if the new owner desires. Move outside to the amazing professionally landscaped large yard! The backyard has a huge wood deck and flag stone walkway and a storage shed. So many fun details and amenities! Home is centrally located to all the hot burb areas with all the shopping and restaurants like Tennyson, Berkley park and sloans lake areas! Rarely do homes like this come on the market! This home includes all the appliances, washer/dryer and Includes a Coldwell Banker 1 year home warranty!
