PROPERTY DETAILS

Golf Course Location: \$50,000 in upgrades. The kitchen was remodeled down to the studs and expanded with additional rich maple cabinetry, heated floor (really) granite countertops, backsplash, and updated appliances to include range, refrigerator, and new dishwasher. The two baths were completely updated with new cabinetry, designer tile, sinks, plumbing and lighting. The main floor bath has a LG. walk-in shower with slider " barn doors ". plus an overhead faucet. The upper bedroom now has a privacy wall and is not a loft. Note the lg. walk-in closet and lg. updated master bath. The patio faces into the golf course and is covered for privacy and shade. . The windows were recently professionally replaced with vinyl. The neutral carpeting is approx. 2 years old. The 50 inch TV mounted in the L. R. can STAY. All appliances STAY. The garage space is 115 and the parking space is # 53. A short distance to the swimming pool. This community is convenient to parks, Cherry Creek Schools, transportation such as light rail, shopping, and restaurants.
