PROPERTY DETAILS

This is your opportunity to own a charming, brick ranch-style house, nestled in the heart of the highly sought-after Hale/Mayfair neighborhood! Situated between the bustling scene of downtown Denver and the Anschutz medical campus (15 minutes in either direction), this serene retreat is located on a quiet, mature tree-lined street. From the moment you step inside, the house's warmth greets you with the hardwood floors found throughout the house and the light-filled rooms. You're further drawn in with the tantalizing view of the large, private backyard just beyond the spacious living room, conveying its character through the cove rounded ceiling in the living room and the vintage tiled, wood-burning fireplace. The home additionally has a one-car attached garage with plenty of cabinets for storage, three sizable bedrooms, an open kitchen with quartz countertops and stainless steel appliances, a large covered patio, and a sprinkler system in the front and back.
