PROPERTY DETAILS

Finally the move in ready Highlands Ranch home that you've been waiting for! This desirable floor plan has show stopping vaulted ceilings and an abundance of natural light. Walking in, the cozy fireplace makes you want to sit down and make yourself right at home with plenty of space to spread out. Heading into the family room you are greeted with wall to wall windows and open flow to the kitchen and dining room. Fresh paint, brand new carpet, and newly refinished wood floors make quite the impression and this is where everyone will want to linger! Kitchen has extra cabinets, lots of counter space, a pantry, and stainless steel appliances all included. Head upstairs to two good sized bedrooms sharing a full bath and new carpet and paint. The Master bedroom will not disappoint and is quite the oasis with a huge separate seating area, it's own double sided fireplace, vaulted ceiling, walk in closet, and full five piece bath. Downstairs the basement is a wonderful space for additional entertaining. The large living room hosts a bar section, bedroom, and 3/4 bathroom perfect for separate living or guest space!
