

 Single Family  2532 SQFT

PROPERTY DETAILS

Gorgeous home in the sought after Village Subdivision in Brighton. This home has several recent updates including floors, kitchen remodel and plenty of room to stretch out in a finished basement. Enjoy the spacious master bedroom with large closets, open kitchen and large living room to entertain or just relax in. There are 2 large bedrooms on the upper floor and don't forget enjoy the evenings in the large back yard with massive deck. Need to store toys in the back of the house there is a Tuff Shed. This home is a short distance to schools, highways, trails, shopping and breweries. This home will not last long so don't wait to make it your home!
