## PROPERTY DETAILS

This cozy mountain home located minutes from the heart of Bailey, Colorado is just waiting for you to call it home. Nestled amongst the numerous Aspens and Pines on over an acre of land, this home is move in ready. The home has been freshly painted, professionally cleaned and carpets have been too. There is nothing left to do but move on in! You're sure to love the vaulted ceilings and tons of natural light that flows through the open floor plan. The updated kitchen boasts stainless steel appliances, stone backsplash, pantry and large picture window. You can cozy up by the fire on those chilly winter days in your main level living room complete with wood burning stove. Also on the main level is 2 bedrooms and a beautifully remodeled, full bathroom. Take the slate steps down to the lower level to find a spacious family room with large, lovely windows that allow in so much beautiful sunlight. The (non-conforming) Master bedroom is located just off the family room as well as the remodeled master bathroom complete with Smart mirror. The exterior features include a main level wooden deck, lower-level concrete patio, 2 car garage, fenced in yard and chicken coop. Come and experience Foothills living with the convenience of easy access to amenities and 285 and call this beauty your home!
