## PROPERTY DETAILS

Fantastic house in desirable location with trails and amenities in your own backyard. Meticulously maintained with many upgrades. A large entry transitions to a very open living room with gas fireplace and large dining room. A wall of windows with view to the Ridgeline open space brings natural light throughout the house. Just off the dining room is the gourmet kitchen with SS appliances, double ovens, granite countertops open to a large family room with fire place and newly installed HunterDouglas, silhouette drapes. From family room you can step to the stamp patio overlooking the open space. Oversized master bedroom is just off the living room with double closets and 5-piece master bathroom. Three additional bedrooms, full bath, half bath and laundry/mudroom room are also conveniently located on the main floor. Partially finished basement features large play/rec room, full bathroom and lots of storage. The Meadows invites play and adventure everywhere you look.
