 Single Family  2240 SQFT  5 Beds  2 Baths  1 Car  0.22 Acre

PROPERTY DETAILS

Welcome home to this meticulously maintained property with tons of character throughout! From the second you walk through the entry door you are welcomed with natural light, solid hardwood floors and a spectacular view of the backyard. The kitchen features granite countertops, stainless steel appliances, bar height seating and a separate beverage fridge. Both bathrooms, the AC and furnace were all upgraded in 2013, the water heater is less than 1 year old and the roof was replaced within the last 5 years. This is truly move in ready!! The fully finished basement has a large area perfect for an additional family room, game room or work out space - the possibilities are endless! There are also 2 non-conforming bedrooms in the basement and a fully finished bathroom. The front yard features great curb appeal with several perennial gardens, and a paver patio. The backyard has an amazing deck perfect for entertaining with a huge yard great for the kids and dogs. If gardening is your thing there is also a garden in the back. To add to the many great features of the home, you are also within walking distance to a ton of great restaurants, shopping, Fiddler's Green concert venue, light rail and much more!!
